Program # 11009 – Santa Fe and Taos: A Tale Of Two Cities

Monday, April 29 to Sunday, May 5, 2024

Program Overview:

Less than 70 miles from one another, Santa Fe and Taos are the jewel cities of northern New Mexico, seemingly enchanted places set amidst the majestic Sangre de Cristo Mountains. Adobe pueblos built by ancestral peoples still stand, elegant Spanish colonial plazas serve as meeting places as they have for four centuries and beautiful museums display the work of artist-pilgrims who gathered here to find inspiration in the land. Examine Santa Fe and Taos through the eyes of those who have called them home and discover not only what they share, but also what sets each apart.

Program Highlights:

- Learn about artist Georgia O'Keeffe and visit the New Mexico Museum of Art.
- Be moved by the ancient Native traditions and cultures preserved in a local pueblo and gain insight into the enduring nature of the Pueblo people.
